Dear Members,

As we enter this joyful holiday season, I want to extend my heartfelt gratitude to each of you for your dedication, kindness, and hard work throughout the year. Our club has accomplished so much together—supporting our community, lifting one another up, and continuing the traditions that make our organization so special.

I also want to offer a special and sincere thank you to all of you who answered the call to help the Rockledge High School families this season. Your generous donations of food and gift cards will ensure these families have at least one hearty, home-cooked meal during the holidays. Your compassion truly reflects the heart of our club.

December is a wonderful time to reflect on what we've achieved and to look forward to the opportunities ahead. I hope you'll join us this month as we celebrate our members, enjoy time together, and share in the spirit of the season.

Wishing you and your loved ones peace, joy, and a very happy holiday.

Warmly,

Sarah

Hello December & Happy Holidays!

I hope your Thanksgiving was stuffed with fun, family and just the right amount of pie. Personally, I'll be sneaking in a few extra walks this month to make peace with my dessert choices!

Good news as we wind down the year: report writing has officially begun, and I come bearing a holiday treat... No reporting hours for December!

That's right—consider it my gift to you. We'll handle logging all the hours and donations for the December projects already on the calendar, so you can focus on the important stuff: cocoa sipping, light gazing, and maybe another cookie or two.

Wishing you all a joyful holiday season and a healthy, happy 2026!

Here's to ending the year with cheer!

Fundraising

Thank you everyone that participated in our fall fundraising experiences. We had 30% membership participation in our craft fair fundraisers which is awesome. We collected over 300 items to sell at the Satellite Beach Women's Club Founders Day and Heritage Isle Craft Fair events. Our efforts culminated in the sales of 100 items and making \$516 between both events. We had a great time at each event getting to know customers and other vendors. I will be taking a few months to evaluate the data that I collected to see what sold the best and determine how we progress to have this opportunity again next year. Once I have the data I need, we can all start scheduling some craft classes where we can easily make items to sell for the future. The money we raised in these two events will help fund our CSP areas and our operating budget.

December is HIV/AIDS Awareness Month. In the early 1980s, as the epidemic grew, Elizabeth Taylor became the first globally recognized celebrity activist. She co-founded The Foundation for AIDS Research in 1985, lobbied President Reagan and Congress, and later established The Elizabeth Taylor AIDS Foundation in 1991 to provide direct care and support to vulnerable patients. Her legacy continues today.

Beginning December 1st, we'll shift our charity focus and support the foundation with 1,500 miles.

Our next Walk and Talk will be at Fort Christmas Historical Park (1300 N Fort Christmas Rd, Christmas, FL). This Orange County park, about 10 miles west of Titusville on Highway 50, features historic homes, a school, and a fort open daily from 9 a.m.–4 p.m. Please let me know by Monday, December 8th if you plan to attend and if you can drive. We'll meet at the Publix at Stadium Corners (5380 Stadium Pkwy, Rockledge) on Wednesday, December 10th at 8:30 a.m. to carpool. Dress for the weather, wear sturdy walking shoes (we'll be crossing the meadow), use sunscreen, and bring water. It will be a fun and informative outing!

The Children's Hunger Project continues to post new packing dates to support local children, and spots fill quickly. Visit their website to join the mailing list and be notified when new opportunities open. And remember—our club already has two packing events scheduled for 2026.
