Dear Members,

Welcome back to another exciting club year! I hope you had a nice summer break. The Board of Directors has been busy over the summer to plan fun and exciting projects and events. I hope you'll jump in and participate. Remember you don't have to do everything, just something. We're still looking for more volunteers to take positions on the board as chairmen of projects and committees. We'll be learning more about those jobs at the first meeting on September 3<sup>rd</sup>. I hope to see you there!

## 1st Vice-President's Message

Welcome Back Ladies!

What a whirlwind summer! I had the magic of whisking our grands away on a Disney cruise (yes, Mickey sends his regards) and soaking up every moment with them before the school bell rang which is earlier for them in Atlanta and now—poof! September is here!

It's time to lace up those "boots on the ground" for another year of laughter, friendship, and making a difference. I know many of you have been busy over the summer with club projects—so don't forget to enter those hours and donations in our online reporting system. (Your future self will thank you when reporting season rolls around!)

Looking forward to seeing everyone in September.

## 2nd Vice-President's Message

Welcome back from our summer break! I hope everyone had a pleasant summer. As the Fall season begins, we have several upcoming events to prepare for. Our first fundraiser this year will be on September 23rd, where we will participate in Pizza with a Purpose. Look for coupons and instructions that we can share to raise 10% of every meal purchased that day where we are mentioned. We hope to be able to use this fundraiser several times this year.

November 1st is the Satellite Beach Founders Day event, so start gathering all of your crafts that you are willing to donate to our club, and we will sell them at the event. The following Saturday, November 8th, we will continue at the Heritage Isle Craft Show. Look for more information as the time draws near.

And finally, we are co-sponsoring a Halloween event with two sister clubs (South Brevard Junior Woman's Club and Community Woman's Club) at the end of October in Cocoa Village. More to share in the very near future.

We will need "all hands on deck" to make all of our fundraising ventures a success. Please offer any support you can during this busy fall season!

Our Summer Brunch Social was a wonderful success! Even though many members were traveling, we had a great turnout and were happy to welcome five guests who came to learn more about our club.

Everyone contributed to the potluck-style brunch, bringing delicious homemade dishes, pastries, and drinks to share. The table was full, and the room was filled with laughter and conversation as members and guests enjoyed trying a little bit of everything. A couple of fun icebreaker games added to the fun and helped us get to know one another better.

President Sarah and the board also shared about the club's history, mission, and upcoming projects, giving both members and guests a chance to connect and learn more about how we serve our community.

We will have our **new club brochures** available soon! Thank you to member Kristen A. for her hard work. Each member will be given 5 brochures to start and more will be available when you run out.

Looking ahead, we'll host a **New Member Orientation** each month (see the calendar for dates) so that potential members can learn more about our club. We are also excited to introduce the **"Lunch Bunch,"** a new monthly gathering where members can meet for lunch and enjoy fellowship. Watch for more details in upcoming newsletters!

## Health & Wellness CSP

Chairman  
Linda Greenstein

Even though we were not having meetings during the summer, our members had many opportunities to participate in Health and Wellness Activities. We had a **10-week Moai Walk and Talk**, an amazing **Baby Shower for Healthy Start**, a fun afternoon playing **miniature golf** at Lighthouse Cove and our last summer Walk and Talk at Linear Park.

Our **GFWC Space Coast - COMETS** accumulated more than 4,000 miles throughout the summer for Charity Miles. September is Childhood Cancer Awareness Month and we will change our charity on the 1st to St. Jude Children's Research Hospital, one of our GFWC Affiliate Organizations. Our goal is 1,800 miles this month!

Upcoming Health and Wellness activities include assembling brochures for **Healthy Start** on Thursday, September 11th, the **Turtle Krawl 5k**, a fundraiser for the Sea Turtle Preservation Society on Saturday, September 13th (if you are interested, visit [turtlekrawl.com](http://turtlekrawl.com) and register) and our **Walk and Talk** on Wednesday, September 24th at Suseda Park.

I should have more information for our packing event for **The Children's Hunger Project** that is coming up in October. There will be sign-up sheets at our General Meeting on Wednesday, September 3rd. Hope to see you there!

Our school supply drive was a great success! Our little club donated \$680.00 worth of school supplies, polo shirts and shoes to Endeavour Elementary for the start of this school year. Those members that were able to donate, did so generously. Thank you all very much.

We have finished three quilts for Healthy Start and one for Endeavour Elementary. We have four more quilts to finish this year. There is also enough fabric to create three more larger quilts after the holidays.

Our Little Free Library is doing well. We do need some more books for children and adults to stock the library when books aren't replaced by users. The library does get used a lot by the neighborhood!

### Book Club

The book for the month of August was Angels of the Pacific by Elise Hooper. It is a very interesting story about nurses during WWII. Taylor Malishenko joined us for the discussion, and she brought some pictures and talked about the war in that area. It was interesting and made the book come alive!

# GFWC Signature Program: Domestic & Sexual Violence Awareness & Prevention

**Chairman**  
Taylor Malishenko

The GFWC International Day of Service is a day where GFWC clubs all around the world will be working toward the same goal: provide service and raise awareness about a charity or cause. This year, we will be focusing on the GFWC Signature Program. Our club's full plans are still being finalized based on the needs of our favorite organizations. Please watch your email for more information.

Serene Harbor Certified Domestic Violence Shelter has provided the following requests:

- 10 sets of the full-sized sheets (even just fitted sheets are fine) are their exact need. Please buy better quality sheets and let me know how many you will donate.
- Pantry items: canned goods, rice, pasta, snacks for kids (chips, popcorn, etc.), ground beef and chicken. We will deliver after our day of service.
- Other needs: laundry detergent, dish detergent, shampoo, deodorant

Funds from our club's Pizza with a Purpose fundraiser will go to Serene Harbor and Life Recaptured, so please share the coupon and Facebook post with your friends and family.

This summer we delivered clothing, children's books, affirmation jars and pantry items. As always, they are very grateful.
